NEW KIDS ON THE BLOCK: GEEKS OR GODS?

Special note: Due to the overwhelming number of letters we received regarding "The MAD New Kids on the Block True or False Personality Quiz" (which appeared in MAD #296), we are turning this entire letters page into an open forum, a free-wheeling and intelligent (yeah, right!) exchange of ideas, so that we may all learn to live in harmony!

I am a 14-year-old New Kids on the Block fan writing to tell you how angry your article on the New Kids made me. Your so-called "caricatures" were mean, low, degrading, inhuman and obviously written out of pure jealousy. Next Friday, my many friends and I are having a burning of your magazines. If you think that I am not serious, why don't you join us in our joyous occasion: "Burn Fest '90."

Jen La Croix
Milford, MA

Burning books sounds like a classic way to jazz up an otherwise dull and meaningless existence! We bet the New Kids would love to join you, but as everybody knows, they aren't allowed to play with matches!—Ed.

Thank the Lord that somebody told the true facts about the New Kids! Danny reminds me of Herman Munster! I just wanted to say good job! MAD strikes again!

Rachel Coyle
Bisbee, AZ

Thanks, it's always good to hear from intelligent and thoughtful readers!—Ed.

You G____d____ mother f____ing a__holes! New Kids are better than you f____ing sh____ing a__es. I'm 13-years-old and I know New Kids are better than you! So you better watch your G___d____ a___! Don't be jealous because New Kids are f____ing cute! F____ you!

Anonymous

Like we said, it's always good to hear from intelligent and thoughtful readers!—Ed.

In a recent issue you poked fun at New Kids on the Block. You should know that these "dimwits," as you called them, are helping millions of young kids say no to drugs. They work miracles, too. A hearing impaired child's first words came through them. Her words were, "I want Joe now."

The New Kids also saved my life with their positive message. I was falling into drugs and crime, I was doing miserable in school and I didn't care, until the memory of meeting Joe McIntyre several years ago sparked an interest in the group. Ever since then, I have been one of their most loyal followers. I am now against drugs, crime and racism. I am very into saving the environment and other social issues all because of five boys from Boston.

Victoria Proctor
Conneautville, PA

Five boys from Boston? Just what the hell do the Celtics have to do with what we're talking about?!—Ed.

From the other people who hate the New Kids on the Block and I, we thank you for putting them in the right place—being picked on by your magazine! The "True or False Personality Quiz" was probably the best thing that I have ever seen in MAD. Thank you, thank you, thank you!!!

Meaghan Bearon
Nova Scotia, Canada

When you say it's the best thing you've ever seen in MAD, we assume you're not counting Dave Berg's hilarious, "The Lighter Side of a Nice, Big Breakfast"!—Ed.

I am disgusted at the way you put down the New Kids on the Block. You have truly proved to me how totally immature and empty-headed you can be. You feel you have to put down those who are better than you. To make this up to me and all New Kids fans, I ask that you put down Debbie Gibson, Janet Jackson, Paula Abdul and Alyssa Milano!

Crystal Basoco
Ontario, CA

Make fun of Alyssa M? The greatest actress of this century?? Now you've gone too far! You're just jealous!—Ed.

With regards to your outstanding tribute to N.K.O.T.B.: If fans of the Grateful Dead are called Deadheads, then fans of New Kids on the Block must be Blockheads!

Christopher Smith
La Porte, CO

Oh yeah? Then what would you call fans of Dick Tracy?!—Ed.

If you don't like New Kids on the Block, it just proves that your magazine supports drug usage since the New Kids are against it. I guess I'm sorry I spent $1.75 on your stupid magazine when I could've bought a New Kids on the Block key ring!

Kerri Johnson
Kim Peters
Chicago, IL

You'd spend good money for a New Kids key ring? Are you on something?—Ed.

In your N.K.O.T.B. quiz, artist Rick Tulka put a tube of Clearasil in Joe's hat. Since they're all too young for pimples and zits, why?

Savannah Swardz
Marysville, WA

They're only too young for pimples and zits on their faces!—Ed.

I find it hard to believe that mature adults publish a magazine with a freckle-face, pig-nose dork on the cover. I am writing this complimentary letter because you ridiculed the best group since the Beatles.

Colleen Farrell
Pacifica, CA

Au contraire! We never said *anything* about The Partridge Family! And secondly, we never claimed to be mature, so liar, liar, pants on fire! Nyeah, nyeah nyeah nyeah nyeah!—Ed.

I must say that I was somewhat disappointed to see that you've started the satire of the New Kids on the Block. But, after reading it, I must tell you what a laugh I got out of the whole thing! I knew it was inevitable that they would be in MAD sooner or later! The whole thing was done pretty fairly, for one thing I know after reading MAD for nearly three years is that *no one* escapes the artists' pens at MAD!

Jamie Smart
Gastonia, NC

I would just like to say that Charlie Kadau and Rick Tulka (they wrote a story about N.K.O.T.B. and drew obscene pictures) are a___ holes. We thought you were a good and interesting mag, but we were wrong. Your mag is filthy, prejudice & definitely, misjudgingly wrong. You are scum, and when Charlie Kadau, Rick Tulka and all of your people die, may you ROT IN HELL.

A CHANCE TO GET EVEN

Never let it be said that MAD likes to see its readers' feathers ruffled (not that we actually *have* any readers with feathers, but you never know)! Anyway, for any New Kids fan that may still feel offended, we now, in the spirit of equal time, present "The MAD Charlie Kadau/Rick Tulka True or False Personality Quiz":

1. Charlie and Rick both think that the New Kids' singing voices sound a lot like Alvin and the Chipmunks records speeded up... TRUE OR FALSE

2. The New Kids remind Charlie and Rick of another group of young men who years earlier burst upon the scene and forever altered the face of music: The Village People ... TRUE OR FALSE

3. Charlie and Rick once heard that the New Kids' post-concert party refreshments can be summed up in one word—"Gerbers"... TRUE OR FALSE

DON'T SAY WE DIDN'T WARN YOU!

Dear Readers:

Everything in the new Al Jaffee book shown above has been (just like the title says) rejected by us, the editors, here at MAD!

This means one of two things. Either everything in this book is a lot funnier than the stuff you're used to seeing on the pages of MAD Magazine or, for once, we were right about something!

Proceed at your own risk!

THE PEST IS YET TO COME DEPT.

A few years ago some horrible little creatures capable of death, destruction and unspeakable acts burst on the American scene. No, we're not talking about Registered Nurses, we mean Grimlins! And the bad news this summer is they're back! Well, maybe it's not such bad news. If they weren't back, then the next five pages would be blank and not filled with our satire of...

GRiM

ARTIST: MORT DRUCKER

There are **four rules** for dealing with **Grimlins: Keep** them out of **sunlight.** Don't get them **wet. Never feed** them after **midnight...**

What's the **fourth rule?**

Ignore the first three or else you **won't have a movie!**

Oh, I think it's really very cute!

Cute?! It looks like a **hair ball** my **cat spit up!**

We **Grimlins** only want what all **average Americans** have: **sophistication, good manners** and **culture!**

The **genetic engineers** wanted to give him the **brain** of Albert **Einstein** and the **strength** of **"The Ultimate Warrior"!**

What **happened?**

A slight **error.** He got the **strength** of Einstein and the **brain** of **"The Ultimate Warrior"!**

I'm the **nation's biggest real estate tycoon,** and the biggest **wheeler-dealer! I always** get what I **want!** And what I **don't** want, I **dump!**

And if you don't **believe** him, just ask **Ivana!**

You **know** why I'm here! **Donald Chump** wants to **buy** your property and turn it into a **high-rise, high-tech slum!**

Oh? I thought you were the **casting director** for **"Karate Kid 4"** looking to replace **Pat Morita!** Sorry, but I wouldn't sell even if you offered me **millions** of **dollars!** There's an old **Chinese proverb** that says, "A man has **nothing** if he has no true **home!**

There's an even **better** Chinese proverb that goes, "There's no **schmuck** like an **old schmuck!"**

MORT DRUCKER

LiNS PTw!

THE NEW BOTCH

WRITER: STAN HART

Mr. Wang's death has enabled **Donald Chump** to acquire the entire Chinatown area! Have they **discoverred** what the old man **died of?**

Yes! It's a Hollywood disease known as **"Author's Convenience."** It only strikes those who stand in the way of a movie's **plot development!**

HERE LIES MR. WANG,
PUT TO REST
BY THE CHUMP GANG.
WHILE HIS REAL NAME
WAS KEY'E LUKE,
HIS DEMISE WAS NO FLUKE.

AS USUAL... HE'S LATE.

RIP
HERE LIES MR. ROPER. HE WAS A HEAVY SMOKER.

MR. LASKY WAS A LOUT, HIS UNHAPPY WIFE TOOK HIM OUT.

Mr. **Chump** has created the world's most modern **office tower.** He's also designed a **board game** and written **two bestsellers,** "The Artful Dealer," and **another** one that's coming out **soon.**

What's it **called?**

"How I **Sued** Warner Brothers Pictures for **Slandering Me** in ***Grimlins 2*** and Wound Up **Owning** the **Studio"!**

Why do I have this feeling of **deja vu,** Bilgy?

Because we're **still** going for **cheap laughs** about inventions that **don't work,** like we did in ***Grimlins !!***

What **scary movies** are you running on your horror show today?

You call these **scary? HA!** The **originals** were **scary**—they were in **black and white!** But Mr. **Chump** had them **colorized!**

That's the modern way! Nowadays, **everything** worth **keeping** is in **color!**

Oh **yeah?** What about these 48 pages of **MAD Magazine?**

That **proves** my **point!** There's no color—but then again, there's **nothing** in **MAD** worth **keeping,** either!

DRACULA AND FRANKENSTEIN

I really enjoy our **long, pointless talks** together, but I **must** ask you **one question.**

Okay, **what** do you want to **know?**

I thought this picture was supposed to be about **Grimlins.** When the hell is it going to **start?!**

REST ROON

The security in this place is **unbelievable!** But is it **really necessary?**

I don't know. I **hate** to **think** what a **thief** would steal from **here!**

Yeah. And if he got **caught,** who would want to **frisk** him?!

We **conduct experiments** to discover how **sadistic scientists** can be and to see how we can **make animals** do **whatever we want** them to!

Oh **really?** Tell me, **how's it going?**

Fine, except for **this one.** We're trying to train **monkeys** to make **speeches** like **Dan** and **Marilyn Quayle** but the **intelligence differential** is **too much!** The **monkeys' I.Q.s** are much **too high!**

GENETICS ENGINEERING LABORATORY

Gizmoo! What in **God's name** are you **doing here?**

The **same thing** as the **audience** is **doing** by now—**sleeping!**

Oh no! He got me **all wet!**

Wow! He's **reproducing himself!** To Muggwais **"safe sex"** must mean **bringing** an **umbrella!**

MAZEL TOV!

And with **dinner** may I **suggest** a bottle of our **1990 Acid Rain Water?** It's **imported** from **America!**

Bilgy, as your **immediate superior,** I've given your future **considerable thought.** I've come up with the **perfect position** for **you!**

What do **you** have **in mind?**

Right **next to me** in **my bed!**

WINE LIST

He's certainly a **strange** little **Grimlin.** I wonder what he **wants.**

What do **I want?** Hell, I saw ***Howard, the Duck*** and if **Howard** could make it with **Lea Thompson,** then **I** got a **chance! Hubba hubba!**

Daffy, you've got to **stop throwing food** around like this! You're giving me another **deja vu attack!**

She saw this kind of **food fight** six years ago in ***Grimlins I.***

Six years ago? How about **twelve years ago** in ***Animal House?***

Nothing in the building is **working.** Hundreds of people's lives are in **mortal danger.** There's **sheer terror** in the **corridors** and **panic** on the **staircases!**

I'll **call** someone who **handles** this kind of **situation every day!**

You mean an **engineer?**

No, an **assistant principal** in a **New York City high school!**

Wait, I see a **guy** who can get this office building **back into shape!**

Don't bother me, I'm too busy making **my own sequel!**

Young **lady,** take a **letter...**

Yicch! If that **office temp** can't type **200 words a minute,** the **personnel manager** is history! Then again, she's got to be **real easy** at the company **Christmas party!**

This **shredder scene** proves we can show stuff even **more disgusting** than we showed in the **blender** scene in ***Grimlins II*** **Happy nightmares, kids!**

Mr. **Chump,** we must **evacuate** the **building! Grimlins** are taking over every office! It's a matter of **life** and **death!**

Don't **believe** it, Mr. **Chump!** The kid's **nuts!**

Just **what** is your **function** around here?

The **same** function that cops in **all** horror movies have—to **ignore** the **hero** and to **ridicule him!** Maybe you recognize me from ***The Blob*** or ***The Thing*** or ***I Was a Teenage Werewolf!***

Just because I said that ***Grimlins I*** wasn't a **great film,** you're trying to **eat me! Roger Ebert** said much **worse** things! Why don't you **eat him?!**

We're **saving Roger Ebert** for our **Thanksgiving dinner!** He'll feed a **family** of **fifteen!**

LEONARD MALTIN TALKS MOVIES

When they told me that **horrible creatures** were going to **destroy Wall Street,** I was really **worried!** What a **relief** when I saw it was only **Grimlins!**

What were you **expecting?**

That **Ivan Boesky, Michael Milken,** and the **Drexel Burnham** gang were **coming back** to **work!**

We need a **sign** that says **I'm** the **Brain Grimlin!**

Why?

Otherwise people will think they're watching **Joan Rivers!**

GREEN ROOM

STAGE

Help me!

I'll **cut** you **down** with my **Swiss army knife!** Let's see, here's the **bottle opener,** the **screw driver,** the **spoon,** the **scissors,** the **nail clipper,** the **protractor,** the **shoe horn,** the **tire iron,** the **snorkel,** the **hedge trimmer,** the **sigmoidescope,** the... sorry, there's **no blade!** Oh well, **you** and the **spider** make a **lovely couple!**

It's good to know that the **Grimlins** won't be able to **threaten** us **ever again!**

I'm not so **sure!** As long as Gizmoo has the power to **reproduce himself,** there'll always be a **problem!**

What can we **do?**

Kill the **damn thing!**

END IT!

BOOR AND ORDER DEPT.

Something strange is occurring at televised sports events. No doubt you've noticed how stadium crowds in all parts of the country appear to dress in much the same unfashionable style, equip themselves with many of the same goofy gadgets and hog the attention of TV cameras with many of the same odd props. We'd always thought that was just an unfortunate coincidence. But recently we learned the truth: these morons all buy their junk from the same mail order catalogue! Permit us to bother you with selected highlights from:

THE OBNOXIOUS SPORTS FAN'S SUPER CATALOGUE

ARTIFICIAL SLEEPING INFANT **assures you of appearing on TV as cameras search the grandstand during dull games to focus on pretty girls and slumbering babies. Lifelike fake tot comes equipped with food-stained tee shirt and grubby face to fool even keen-eyed TV directors. Tie-on strings attach child to your lap to prevent suspicious slippage.**

20774 *ATTENTION-GRABBING PHONY CHILD* $29.95

IMPROVE YOUR CHANCES OF CATCHING FOUL BALLS **with our telescopic-handle bleacherite's net. Fully extended, this little wonder gives you an edge over other ball-hungry fans by letting you catch "fouls" as far away as second base. Net also enables you to garner time on TV as cameras focus on security guards ejecting you from the stadium.**

44904 *"NETS-TO-YOU" BRAND FOUL BALL SNAGGER* $69.95

"WE'RE NUMBER TEN" **is the humble message proclaimed by these giant gloves we had specially fashioned for fans at Columbia, Northwestern and other athletically klutzy schools.**

11764 *WOEFUL WAGGLERS' HUMILITY GLOVES* $5.98 pair

SHOUT CLEVER INSULTS AT VISITING PLAYERS **with the aid of our handy cassette player and tape. Let the recorded voice of an obnoxious professional heckler guide you to the proper level of nasal braying as you bellow, "Hey, Lefty, you swing like my grandmother," and 50 other side-splitting witticisms.**

55789 *CRUDELY CUTTING COMEDY CASSETTE* $29.95

PROMOTE "THE WAVE" AT YOUR NEXT GAME **with the aid of our new electrified seat stimulators. Automatic timer causes unsuspecting fans to receive high voltage jolts in perfect sequence. We guarantee they'll leap from their seats to form The Wave while their involuntary screams annoy the visiting team.**

29806 *"TINGLE-TOKUS" BRAND STIMULATOR* $12 95 per seat

(Or save on our Deluxe 60,000-Seat Full Stadium System for $495,000.)

OBSCENE BED SHEET SIGN lets you play a terrific gag on unwary TV cameramen. Wait until some vital game action is occurring right in front of you. Then unfurl one of these vulgar dandies to horrify dozens of network executives and millions of prudish viewers at home.

19336 ***"DIRTY LINEN" BRAND BED SHEET SIGNS*** $9.98 Each

"BARE CHEST LOOK" THERMAL UNDERWEAR gives the male fan that macho appearance of one who laughs at the cold by attending football games shirtless. Actually, you remain warm and comfy in this flesh colored garment that comes complete with artificial chest hair. Be admired by girls while keeping warm on even the most frigid sub-zero days.

60039 ***"TOASTY TORSO" THERMAL UNDERSHIRT*** $12.95

(State size or prepare to look like you have wrinkled skin.)

YOUR LOCAL GAMES CAN ACHIEVE A BIG CITY LOOK with one of our bona fide psychos parading at courtside in outlandish clothing. At one time or another, you've probably seen a horse wearing blinders. Blinders are a good thing, because they keep the horse in a straight line and out of trouble, since it's unaware of what's going on around it. Sometimes, people are so unaware of what's going on around them, it seems like they're wearing blinders, too! It boggles the mind to consider how many lives could be changed for the better if someone would pull the blinders off these misguided souls and shout in their face...

ROBOCRAP

ARTIST: ANGELO TORRES WRITER: STAN HART

In Detroit these days, it's no longer safe to leave your house!
Why don't they get these young hoodlum killers off the streets and back into the high school corridors where they belong?
I'm going to retire from the Detroit Police force! I bought a home in a quieter, more peaceful community!
Really? Where's that?
Beirut!
Who are these people and what war are they protesting?
They're pushers protesting the "War on Drugs!"
MAKE NICE NOT WAR
HELL NO WE WON'T GO
SAY NO TO "SAY NO!"
It must be very difficult to be Robocrap! I can't imagine how he manages to go into these high crime areas every day!
Hmm, what I can't imagine is how he manages to go to the toilet every day!
He seems really attracted to Officer Lowass! She must have something!
She does! She wears a magnet in her bra!

When you're playing the piano you frequently lose your grip on the bow.

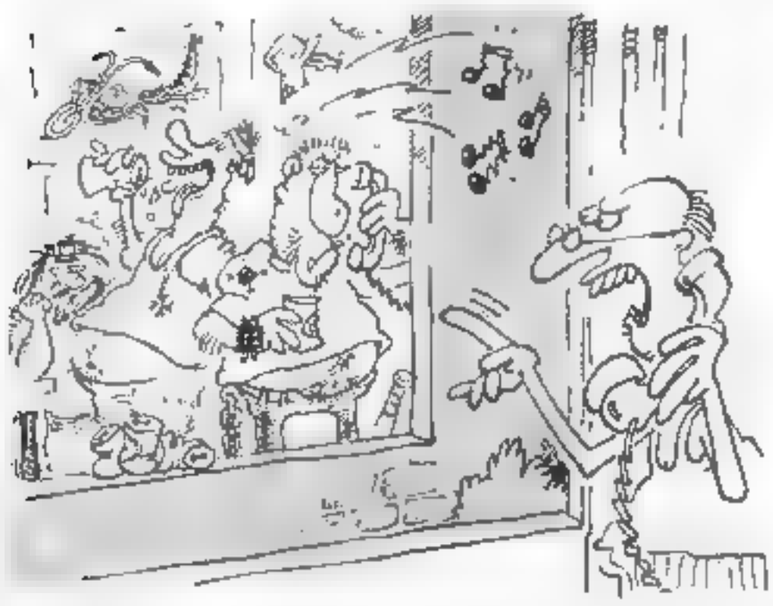
You're absolutely convinced that nostalgia is a thing of the past.

ARTIST: SERGIO ARAGONES

You've caught yourself waving "Goodbye" instead of "Hello" when answering the telephone.

You put a higher antenna on your mailbox in an attempt to receive mail from people farther away.

You go to bed and family members attempt to fluff up your head.



Your neighbor's radio blares at three A.M. and you angrily call him up to demand that he change the station at once.

People repeat everything they say to you because you look way too stupid to grasp things the first time around.

You fret over the fact that they never mention what a hurricane's last name is.

You find yourself complaining to a waitress that the straw in your glass is upside down.

You find yourself wondering what branch of the military Captain Kangaroo was in.

Your biggest worry about marriage is getting that little ring over your loved one's head, down their arm and onto their second finger.

Long before Batman made it to the big screen, the Caped Crusader enjoyed success in a ridiculously overdone and campy 60's TV show. Each week the Dynamic Duo would chase an "arch criminal" portrayed by a has-been, washed up actor who couldn't get work anywhere else! This got us thinking (which is a rare thing indeed!): If Batman returned to television now, there'd be a whole new group of has-beens to choose from! So here, along with sample plotlines and some random scenes, are a few of our selections for...

JOE PISCOPO as THE IRRITANT

Upon his release from jail, Batman's old nemesis, The Irritant, desperately seeks revenge against the Dynamic Duo. The obnoxious super-crook takes them by surprise in the Batcave and mercilessly tortures them with his grating personality and moronic behavior!

Did'ya ever notice how **supermarket receipts** are so **blurry?** Why **is that?** That's my **Andy Rooney impression!** Pretty good, huh? And I'm just **getting started!** Now I'm going to do my **two-hour Bruce Springsteen impersonation** without looking or sounding like him at **all!** Ha ha!
Holy lack of talent! My mind is turning to **putty!** This is the **worst punishment** we've ever been **subjected to!**
I only hope we **escape** before he does his **Lite Beer commercials!** I really **hate those things!**

Batman! Are you **all right?** What **happened** to the **Irritant?**
I **shot him!** Let that be a **lesson** to you, **Robin!** Even the most **dedicated crime fighters** have their **breaking point!**
I want to be **buried** in **Jersey,** do **you** want to be **buried** in **Jersey?**

May you accidentally use a Number One pencil when taking a test that only accepts Number Twos!
May you always get the same seven baseball cards whenever you buy a pack!
May your neighbor's car alarm go off in the dead of night while he's away on vacation!
May you drool all over your pillow while sleeping over at a friend's house!
May you always get the slowest Bumper Car!
May your phone number be one digit away from an all-night taxi service!
May your grandparents come to visit for two months and may they stay in your bedroom!
May your father smell up the bathroom during your first party!
May you pick all the right numbers for the million dollar lottery but forget to play!
May your car radio only play AM stations!
